Courthouse Steps

Jennifer Morgan

Moore's of Mission Viejo

Monday, September 9, 16, 30, October 7, & 14, 6 – 9 PM

This is a great quilt to use up those collections of fabric you've been collecting. You want a variety of prints, colors and values. A quilt with lights, mediums and darks will give your quilt a wonderful geometric quality. The amount of fabric depends on the setting you choose. For example, if you want to make a quilt with 12 blocks (the 3 x 4 setting) then bring 12 fat quarter or regular quarter yard cuts. If you want to make the 20 block size, then bring 20 fat quarters or quarter yard cuts. Then choose your fabric for the center of all the blocks and borders based upon the chart below.

Block set	Size w/o borders	Size with borders	Center yardage	Inner border	Outer border
-----------	------------------	-------------------	----------------	--------------	--------------

				(1½” finished)	(5 ½” finished)
3 x 3 (9 blocks)	45” x 45”	60” x 60”	¼ yard	¼ yard	1 yard
3 x 4 (12)	45” x 60”	60” x 75”	¼ yard	3/8 yard	1 ¼ yard
4 x 4 (16)	60” x 60”	75” x 75”	¼ yard	3/8 yard	1 ¼ yard
4 x 5 (20)	60” x 75”	75” x 90”	¼ yard	1/3 yard	1 ½ yard

Block Set	Backing	Binding (2 ¼” wide)
3 x 3	3 ½ yard	½ yard
3 x 4	3 ½ yard	5/8 yard
4 x 4	4 1/3 yard	2/3 yard
4 x 5	5 ¼ yard	¾ yard

- Sewing machine in good working order, and manual if you have it just in case there are any problems. You will need either a quarter inch presser foot, or the ability to move the needle to accomplish a 1/4” seam, or a seam guide. Also, a walking foot for the quilting portion may be necessary, depending on your sewing machine. We will discuss this further in class. *
- A new sewing machine needle, size 80/20 sharp or universal.*
- Rotary cutter, mat and rulers. The 23” x 17” size mat is a good starting size, and easy to carry to class. The 6” X 24” ruler is a good basic ruler to have. Also necessary is a square ruler, 15 1/2” or larger, and a smaller ruler, like a 6” square. Please have a newer, sharp blade in your rotary cutter.*
- Sharp straight pins, seam ripper, scissors, and other basic sewing supplies.*
- Size One safety pins for pin-basting your quilt for quilting (the curved ones are best, but the non-curved ones are fine).*
- Cotton sewing thread (50 weight) in a neutral color (gray or cream usually work) for piecing, and thread for quilting to match your fabric (we will discuss color and type in class).*
- Tape measure which shows the 1/8” marks clearly.*
- Fabric marking pen or pencil. We will discuss this further in class.*

Pre-cutting:

If you are comfortable with cutting, have your fat quarters or 1/4 yard cuts of fabrics cut into 2” strips, as this will make the sewing go that much faster. **If you are not**

comfortable pre-cutting the fabric, you will have time to do it in class.

A fat quarter is a rectangle of fabric 18" x 22". Cut the fat quarter along the longer width, so you get 8 strips 2" x 22" wide.

Cut a regular 1/4 yard piece of fabric into 4 strips that are 2" x 42".

Do not cut the fabric you are using for the block centers. We will do that in class.

All supplies with an * are available for purchase at Moore's. Sew Fun Club Members receive 20% off regular price on accessories and notions purchased during class! For details, please contact any Moore's Sewing location!
