- Jerome the Gnome" Pattern *

 - ½ yard fleece or knit fabric for body, bottom, arms, legs
 - ½ yard fleece or knit fabric for hat
 - 12 X 20-inch rectangle of fleece/knit for mittens and boots (I used the same fabric used for the hat)
 - 6 X 8-inch rectangle fleece or knit for the boot bottoms
 - 5-inch square knit fabric for nose
 - 2 – 10 inch squares **woven** fabric for base pocket (will not be seen – so use your ugly fabrics you do not like!)
- 3-inch faux fur pompom, large bell, or other decoration for hat
- Loose fiberfill
- Weighted stuffing beads (such as Poly-Pellets® by Fairfield)
- Threads:
 - *Sewing thread to match your fabric
- *Basic sewing supplies including **paper** and fabric scissors, **hand sewing needle**
- *Sewing Machine in good working order
- *Foot pedal for your machine
- *Power cord for your machine

NOTE:

- The pattern calls for fabric glue. I used a glue gun and will bring it to class for you to use. I think it sticks and dries faster than fabric glue!!
- If you hand sew using a thimble, don't forget to bring it!!
- I found the weighted stuffing beads (Pellets) among the packaged batting at Michaels – you only need one cup (8oz.). The smallest bag I found was 32 oz. so I can now make 3 more gnomes!!
- Be creative in your fabric choices. Perhaps you want one for your favorite sports team – go team!!

Before Class:

- Cut out your paper pattern pieces
- If you are comfortable cutting your pattern pieces from your fabric, go ahead and do that. Label your pieces.
