#### **BEFORE CLASS:**

- Print the instructions for the designs
- Read the instructions!
- Cut your background pieces
- Fuse the Pellon SF101 Stay Flex to the back of each background piece

#### **Notes:**

- Be creative in your fabric choices – you do not have to use solid colors. Think about tone on tone or even small floral or patriotic prints
- The directions call for the use of Embroidery Felt and Embroidery Leather. I used pieces of felt squares for both and added some scraps of KimberBell® Applique Glitter from my stash.
